Thank you, I love it!
I love a good night out in

I've had a few memorable

and start a lot of fun! We try to keep it low key, though, so don't expect to see us all out in our costumes!

Have you ever been to an English football game?

No, not yet, but I'd love to. I'm not sure what team I'd back, though – maybe one of the Manchester ones. I think the craziest UFC night out so far was in Manchester. We went to some bar that turned into a strip club and it had a vampire theme. I was watching all these sexy tattooed girls stripping until all hours. It was amazing, but a bit like the film *From Dusk Till Dawn*!

Thanks, Arianny! Finally, could you beat us in an arm wrestle?

Of course! I've done my training, so I could handle myself pretty well. I fight the boys all the time, although I think they let me win!

How 'Arry's bulldog could spend £189k!

Nuts discovers the fun to be had on a doggy day out!

➔ **WE DON'T** know how tax works, but we do know that Spurs boss 'Arry Redknapp reportedly paid £189,000 into a secret account in the name of Rosie, one of his prize bulldogs.

So now that particular dog gets to have her day, how should she spend it with 'Arry's cash? Now, we know what we'd blow that sort of cash on if we had it in our pocket, but would a mutt enjoy it as much? We enlisted the help of a pooch, hired a stretch limo and whisked her around fancy-pants parts of London to find out. It's a dog's life, eh?

CHAUFFER-DRIVEN LIMO!

No more walks in the park for our Rosie. Oh no, it's chauffeur-driven luxury wherever she wants to go.

SHOPPING AT HARRODS!

Where else to stock up on all of Rosie's favourite doggy treats than London's poshest shop?

TOP DOG!

CHAMPAGNE ON TAP!

The days of plain old tap water are over. Should Rosie ever get thirsty, it's champagne all the way!

COURT APPEARANCE!

Our Rosie stopped off at Southwark Crown Court to show her support for 'Arry during his "troubles".

DOGGY SALON!

Manicures? Pedicures? Not a problem! This pampered pooch can afford whatever doggy treatment she likes.

GENTLEMEN'S CLUB!

After a hard day's "work", where better to celebrate her windfall than an upscale gentlemen's club?

DESIGNER SHADES!

Perfect for covering up the excesses of last night's blowout! Now for two Nurofen and a catnap.

Operation: 'Olympic Terror'!

Police join the
Royal Marines to
flex their muscles!

NOPE, THESE
aren't scenes
from the latest

Bond blockbuster. These
awesome snaps capture
the Met Police Marine
Policing Unit and the
Royal Marines preparing
for the Olympics with an
anti-terrorism exercise on
London's River Thames.

Almost 100 military
personnel and 50 river
cops took to the water –
armed to the teeth, and
with various marine craft,
a Lynx chopper and other
scary-looking machines.

National Olympic
Security Co-ordinator
Chris Allinson said, "This
isn't in response to any
specific threat but is part
of our planning to pre-
deploy certain specialist
assets to bolster our
operation." Which loosely
translates as: "Hey,
potential terrorists, look
how big our willies are!"

Olympic security in numbers

- An estimated 9,000 extra police officers will be on duty in London during the Olympics.
- In 2011, the British Government spent £35million on security for the London Olympic sites. That works out at a staggering £250,000 per day.
- Up to 13,500 British military personnel will be deployed during the games.
- Games organisers predict that around 800,000 people will use public transport to get to the Games on the busiest day – that's more than the population of Leeds!
- The US Government reportedly plans to send 1,000 of its own security officers to the Olympics – including 500 FBI agents – to protect Yank athletes and VIPs.

Ghost Recon: Future Soldier – first play!

Hands on with
techno-warfare
on your console!

➔ **GHOST RECON** would be the fun prog if *Call Of Duty* and *Metal Gear Solid* had nerdy game sex. And we've had a pop at the new one – *Ghost Recon: Future Soldier* – where you go hunting terrorists responsible for a dirty bomb attack in the West.

You can approach it like a normal shooter, but the game's stealth action is one of its strongest points, so the bits where you stalk your prey, paint targets for team-mates and take out their enemies remotely are far more rewarding. It's out later this year on PC, PS3 and Xbox 360.

WORDS: NICK COWEN

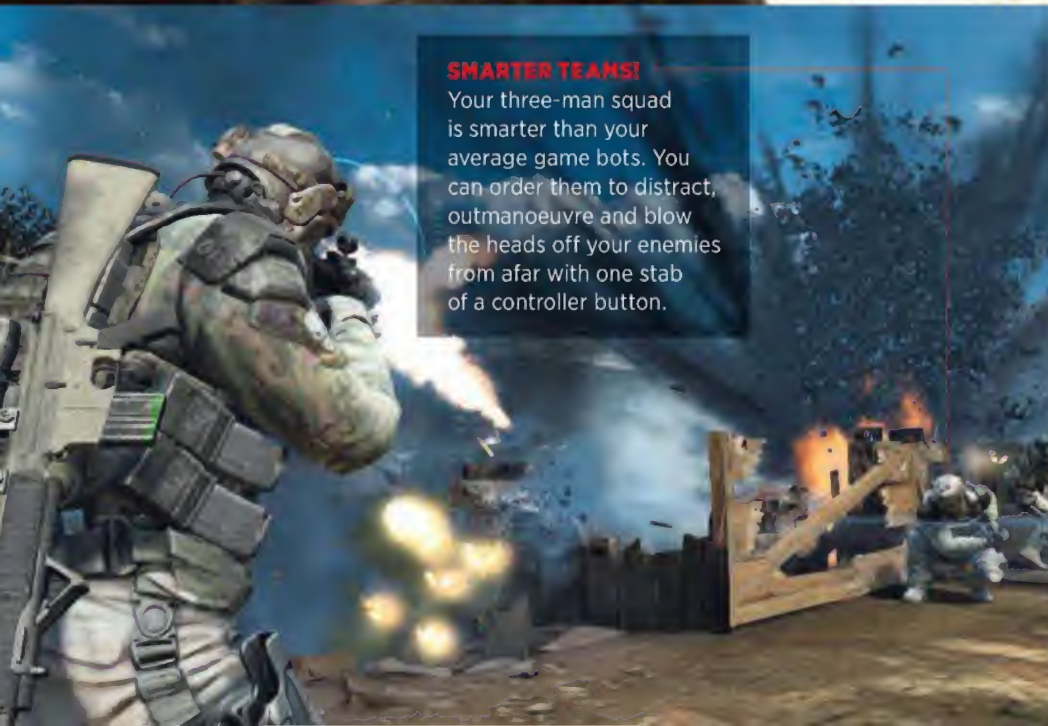

RUN AND GUN

Future Soldier mixes the franchise's trademark strategic play with gunfights that feel authentic and action-filled. In one set-piece, rush hour turns into a bullet-fest when insurgents open fire on you and your squad.

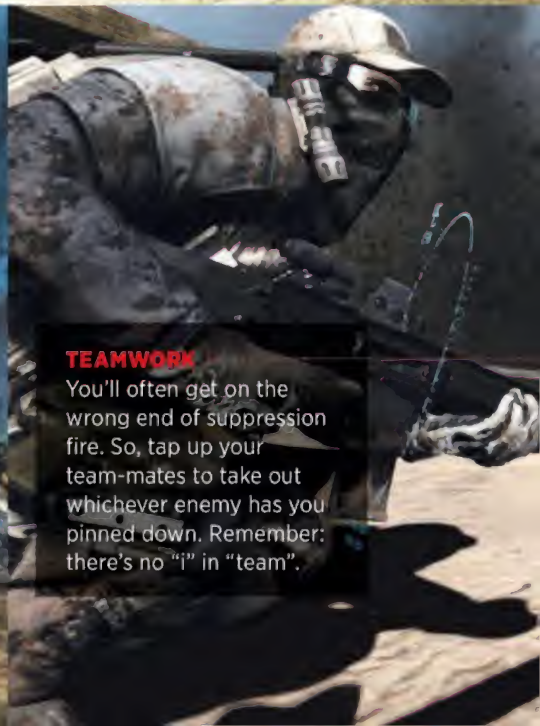

SMARTER TEAMS!

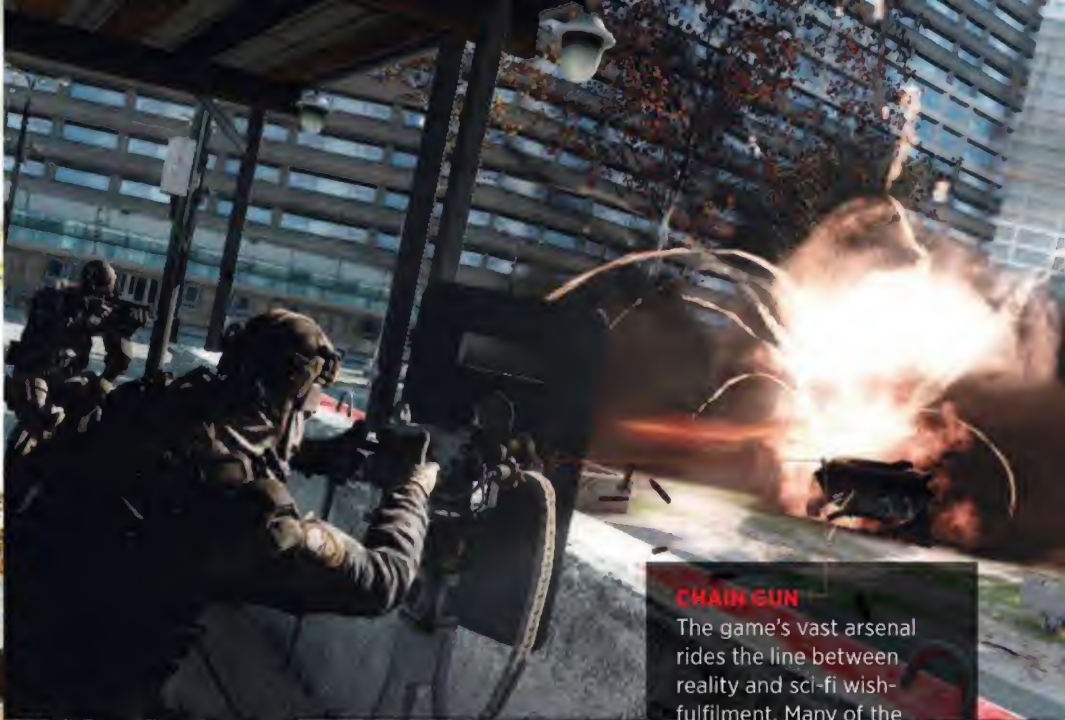

Your three-man squad is smarter than your average game bots. You can order them to distract, outmanoeuvre and blow the heads off your enemies from afar with one stab of a controller button.

TEAMWORK

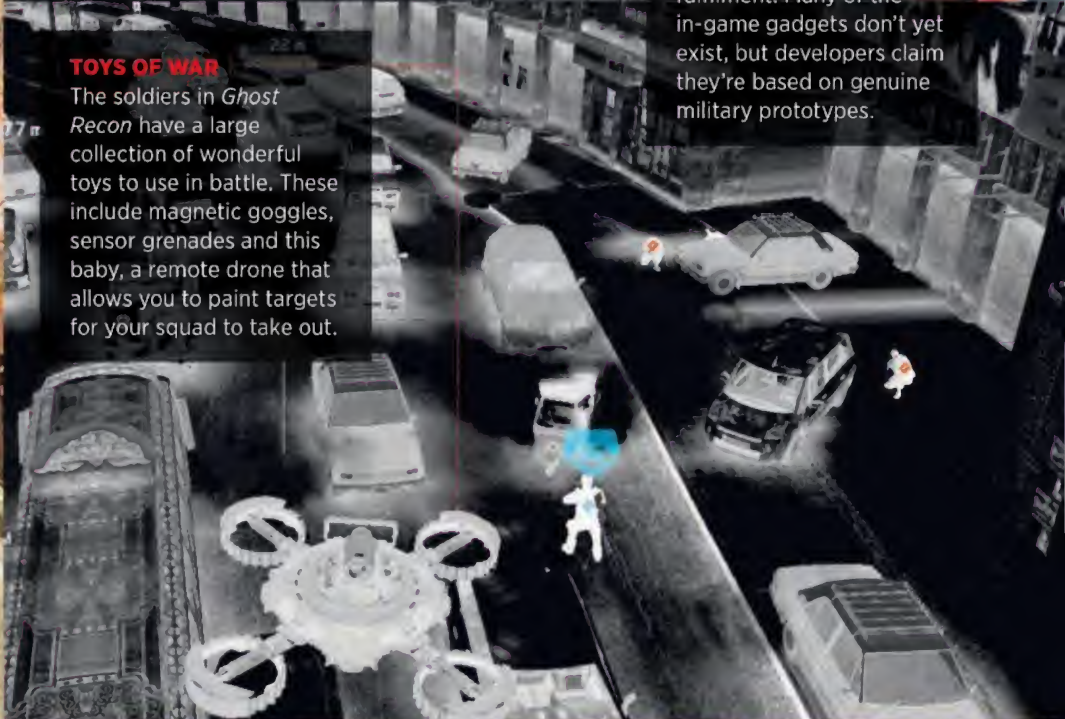

You'll often get on the wrong end of suppression fire. So, tap up your team-mates to take out whichever enemy has you pinned down. Remember: there's no "I" in "team".

CHAIN GUN

The game's vast arsenal rides the line between reality and sci-fi wish-fulfilment. Many of the in-game gadgets don't yet exist, but developers claim they're based on genuine military prototypes.

TOYS OF WAR

The soldiers in *Ghost Recon* have a large collection of wonderful toys to use in battle. These include magnetic goggles, sensor grenades and this baby, a remote drone that allows you to paint targets for your squad to take out.

USE COVER

Even on the easiest setting, it's likely a couple of well-placed shots will take your soldier out, so be wary before you pop your head up and draw enemy fire.

QUICK POLL!

What's on your wishlist for the

perfect TV show? We drew up a shortlist of hot girls, guns, car chases, cops, hookers, violence, lesbians, gags, zombies, vampires and werewolves. And so, it turns out, did MTV, to produce the rather fine *Death Valley*.

It's a gory fake docu following the LAPD's Undead Task Force as they fight an infestation of San Fernando Valley by zombies, vampires and werewolves. And it comes with the official *Nuts* seal of approval. We would have made a logo, but a plane flew past, and we saw a dog, and then something happened on the internet...

758bhp, 220mph crazy Corvette!

German chaps tweak the ZR1 into a super weapon!

- This year, America's beloved sports car brand Corvette celebrates its 60th anniversary, and some wacky Germans have given it a new birthday suit.
- **It may boast a silly porn name, but there's another incentive to put a deposit down on the TIKT Corvette Triple X – this thing is fast.** How fast? Well, put it like this, the Triple X is based on the Corvette ZR1 – a weapons-grade, 6.2-litre, supercharged V8 monster, which thunders to the tune of 638bhp and 205mph and does 0-62 in 3.6 seconds.
- It's hard to know when 0-62 in 3.6 seconds might not be enough, but clearly this is a conversation that German tuners TIKT have had. So, the Triple X has had its power plant torn apart and rebuilt with modified heads, cams, valve springs, larger throttle bodies, an ECU tweak and a new exhaust system. The result? A gasp-inducing 758bhp with 672lb/ft of twist. And a three-second-dead 0-62mph.
- **And the Triple X has a manual gearbox, too. Remember those? In a world where most supercars are going for tap-tap elephant ears either side of the steering wheel, the Corvette ZR1 only comes available with six on the stick.**
- The biggest challenge for TIKT was to customise the Corvette's cooling system to cope with the extra muscle, which now pumps up to four times as much cooling fluid around the V8 as it did when leaving the US factory line.
- **The need to keep the beast cool under the bonnet has led TIKT to create a new front splitter and bumper, which not only helps keep the thing on the tarmac at silly speeds, but is also specifically designed to force cool air where it counts – into the mouth of the supercharger.**
- And you may have noticed the subtle wing on the rear deck. Yep, that's one sweet carbon-fibre bird table. This apparently aids the road holding of the Corvette, too, and who are we to argue when there's 758bhp on tap? That's 58 horses more than a Lambo Aventador, incidentally.
- **Larger brakes live behind each Zerra Ultralight Evo 2 wheel, which help to reduce the overall weight of the fibreglass-bodied American hero. And all you need to clear a space in your garage is £140k or thereabouts. But what price happiness, eh?**

KEIRA KNIGHTLEY has just revealed that she does shots of vodka before filming sex scenes. We all do that before we have sex. I can't remember having sex sober! Giving up drinking ruined one-night stands for me. Have you ever been sober and had sex with a drunk chick? It's a nightmare! When you're both p*ssed, you think you're f**king like porn stars, but if only she's drunk, you have to keep pulling her hair back to check she's awake, getting her to say into the camera that it's consensual, annoying stuff like that.

There are those who say, "How the hell can sumo be considered a sport when you're putting your health at risk?" to which I say, "It f**kin' is!" Lots of sports stars put their health at risk - Ayrton Senna, Muhammad Ali, Monica Seles... We should make up more sports for fatties, like diabetic football, where they eat a load of sugar before a match and the winner's the team that keeps all its feet. Or darts, where they show up and... OK, darts would be the same.

I hope that losing a fingertip won't affect his talents, and I also hope that he really did do it on a rotary saw, and not while pulling a dog off Debbie McGee. We've all heard that myth, right?

"Steer clear of Corey!"

DID YOU see Yank actor Corey Feldman on *Dancing On Ice*, skating to *Stand By Me* and dedicating it to dead pal River Phoenix? That has got to be the sh*ttiest tribute ever! What next, skating to *Thriller* as a tribute to his other dead pal, Michael Jackson? It strikes me that being close to Corey Feldman's a health hazard, so I predict his skating partner will die of a smack overdose within the year. Stick a fiver on it!

"Don't do it by the book!"

DEBRETT'S, THE book publisher that specialises in books about etiquette, has just brought out a book on the correct etiquette for getting a divorce. It turns out that it's bad etiquette for a woman to f**k all her husband's mates. Who knew? I don't really think there's an easy way to break up, so ladies, if there is a man stupid enough to break up with you, get hold of a copy of this book, smash him in the face with it, then send the blood-smeared cover back to the good people of DebreTT's and they can go and write a book about how it's none of their f**kin' business. Bunch of c**ts.

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,
100% REAL
LESBIAN!**

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

Ankle fetish!

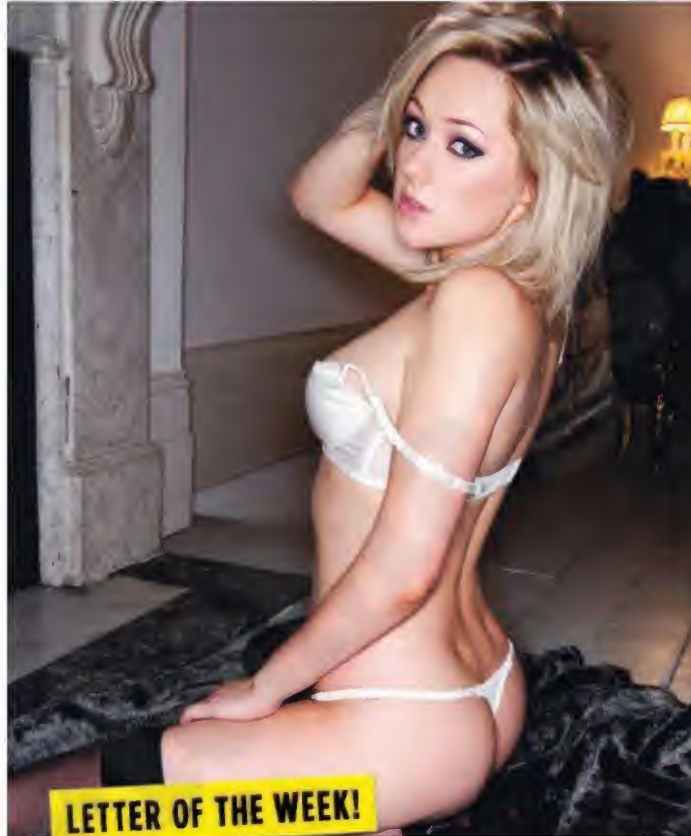

I've got a fetish for ladies' ankles. When I'm with a girl in the bedroom, I really have to fight the urge to kiss and stroke them. I've never told anybody about this. Am I weird?

ART Dartmouth

There's nothing wrong with this. Ankles are an official erogenous zone and should be licked and bitten regularly, so long as you don't forget to pay attention to her face, breasts, navel, p*ssy, behind the knees etc. And when you've attended to her ankles, don't forget to give her toes and the soles of her feet some love as well!

She's so insensitive!

Straight after sex, my girlfriend always just rolls over and falls asleep. It really hurts my feelings and I think she's being quite insensitive. I want to kiss and cuddle and whisper sweet

LETTER OF THE WEEK!

Sleep talker!

I talk in my sleep and my other half has said I've been mentioning someone called Tracy in the middle of the night. I don't even know anyone called Tracy, but now she thinks I'm cheating. How can I tell her I'm not?

ZACH Bradford

Come on, Zach, every man knows someone named Tracy! Your other half may be making it up of course, just to test you, but to keep the peace you should probably say Tracy is just a former girlfriend. You could also try mentioning that she provided the most amazing sex. I'm not sure how that would go down though!

nothings, but before I get the chance, she's asleep! What do you think I should do?

SHINNY Salford

Well, this is a turn-up for the books. It's normally the man who rolls over and falls asleep!

I suggest you try going down on her to keep her awake and sustain any feelings of affection she has for you. I've heard it works a treat with men, when a post-coital blow job usually elicits a cuddle.

Post sex wind!

I always, without fail, need to do a massive fart straight after I've had sex. It's caused me so many problems in the past that it's nearly put me off sex completely, and I'm too embarrassed to go to the doctor. Have you ever heard of such a thing? What should I do?

GUS via email

Blimey, Gas – I mean Gus! You need to get this one sorted if you ever want a second round with a girl. Get yourself along to the nearest chemist and ask for something to settle your gasification. Alternatively, retire to the bathroom with a well-stuffed pillow!

Nuts NEXT TOP MODEL!

Introducing the hottest new models - in their first ever *Nuts* shoot!

ONLY IN
Nuts!

Jessica

Meet the redheaded cutie from Camberley with the 32F boobs!

➔ Hi Jessica! Welcome to *Nuts*! How excited are you about being a *Nuts* Next Top Model?

It feels a bit surreal, but so cool at the same time. I've never done anything as big as this before. It's a real privilege to be in *Nuts* and I hope the readers want to see more!

Have you done any other modelling jobs before this?
No, this was my first ever professional photo shoot - and it was so much fun!

How would you describe yourself to the *Nuts* readers?
I'm quite energetic and like to have a laugh. I'll try anything once! Though I'm petite, I can drink a lot, so you guys would need a lot of stamina to keep up with me on a night out.

What sort of man do you go for?
He's got to be able to make me laugh. I always say that if you can make a girl laugh you can make a girl do anything!

How can a chap impress you?
If anyone could beat my top score at *Rayman*, that would seriously impress me!

Who's your favourite *Nuts* babe?
That's a tough one! It would be between Lucy Pinder and

Vikki Blows. They're complete opposites, but they're both amazing in my eyes.

What would your ideal sexy photo shoot involve?

I'm obsessed with video games, so I'd love to re-enact *Tomb Raider* in some way - dressing up as Lara Croft would be cool! I definitely want to do more shoots with *Nuts*. *Nuts* babes are the fittest, so I'd like to do some group work!

SAM WORTHINGTON

The Hollywood superstar on his new movie, *Avatar 2* and Worthington's bitter!

I Sam! Man On A Ledge, is out this week. You seem to spend a lot of time in it about 200ft up in the air. Did you have a beer

before you went out to calm your nerves? I'd have slipped off a lot more than I did if I had! It's weird out there. There were times when I was out there by myself, the cast were inside and the director's just on an earpiece – so that solitary time, it was just me and the pigeons. When you're up there, there's not much to do but enjoy the view and think about things. I found it quite soothing.

So, how much of the movie did you actually spend standing on a ledge?

I don't know how many days we did. You can't shut down four blocks of New York City every day. New York would kill you! So, we shut it down on weekends, but it was quite a lot of time we were up there.

Tom Cruise recently sat on top of the tallest building in the world, Dubai's Burj Khalifa, for *Mission Impossible 4*. How far are you prepared to go for your roles?

Oh, I love it when I'm doing these stunts. The audience demands it and gets a kick out of it. It helps the authenticity of the stories. I get to do stuff that I'd normally get arrested for, and I get paid for it. People underestimate how hard action is – I'd like to get it out there that action can be a lot harder. You talk to Tom Cruise about action, he'll tell you how detailed you have to be.

Does anything scare you?

I get scared of small things. I don't have any big phobias, like sharks or spiders, or the end of the world. It's weird things, eccentric things. I don't like fluorescent lights because they don't cast a shadow. And I get scared by why I don't have a shadow. Think about it. It f**ks you up, man! And your shadow is meant to be

indicative of your soul, so every time you go into a shopping mall, your soul's sucked away. It makes sense, doesn't it?

Right then! Anything else?

Why is it that when you put a package in a vehicle, it's called a "shipment", and when you put it on a boat, it's called "cargo". What the f**k's going on there? Weird things like that trip me.

Tell us a surprising thing about yourself.

I'm superstitious as hell. I don't walk under ladders. I think superstition's just something to do with your own consciousness. I don't believe in fate and

luck and all that, you make your own. It's a case of, "I'm not going to take the risk, just in case." It's like saying, "Are there aliens out there?" or, "Is God out there?" You have your own beliefs, or I'll sit on the f**king fence!

Do you still find time to surf?

Yeah. I spend most of my time in Hawaii – that's why I go there. I love it there. There are shore breaks as big as this room. It's nuts. Big, big waves.

How's *Wrath Of The Titans*?

Awesome! I love it. I watched it the other day. It's great, man. The first one, I dropped the ball a bit. I don't like what I did. I didn't even

have a character. It's just a generic, bland action hero. I f**ked up.

You were in the running to play 007.

If Daniel Craig quits, would you still like to be shaken but not stirred?

No, man, no. I just wouldn't want to see a Bond movie with me in it. I choose my movies with that rule, that's how I feel.

Do you have a dream film you'd like to make that's not action?

Me, Russell Crowe and Christian Bale should do a comedy. See, you're laughing already! I'll get Russell on the line!

How's *Avatar 2* coming along?

I see Jim [Cameron, the director] next week for an update, but he's still writing it. He's told me the story of *Avatar 2* and 3. I can't tell you because guys would come flying through the window like a Swat team, but it's immense.

Have you ever tried Worthington's bitter?

I like beer, everyone knows that. I'm Australian. Anything as long as it's wet. I'm VB [Victoria Bitter]. I'm a VB boy.

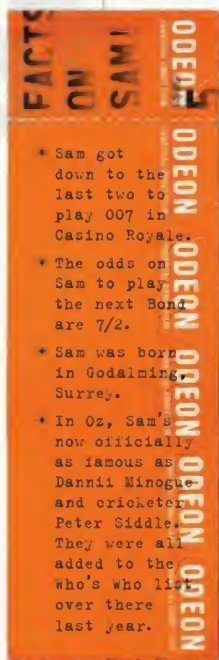

You were born in England, raised in Oz but spend a lot of time in the US. Who has the sexiest girls? Which women could do a Medusa and turn your face to stone? None of them!

You like all women?

Yep!

MERCHANT

OF DEATH

FINALLY BROUGHT TO JUSTICE IN THE US. VIKTOR ANATOLYEVICH BOUT
MAY BE REMEMBERED AS THE WORLD'S MOST FEARSOME ARMS DEALER

ANY CALLED him "a major threat to world peace". He was so powerful that the US spent

millions of dollars to keep him behind bars. Indeed, US prosecutors once described him as the "new Bin Laden".

After nearly two decades of war profiteering, Russian Viktor Anatolyevich Bout was caught in a Drugs Enforcement Administration (DEA) sting in Thailand in 2008. Then 42, Bout remained imprisoned in Thailand until 2010, when he was extradited to New York.

In November, Bout – dubbed "The Merchant of Death" – was convicted of conspiracy to kill Americans and US officials, delivering anti-aircraft missiles and aiding a terrorist organisation. He'll be sentenced in February when he could receive life. But who is the man the Americans also call "The Lord Of War"?

TERRORISTS' FRIEND

After the collapse of the Soviet Union in the late '80s, Bout, a Soviet military officer, snapped up the contents of military dumps and touted them to the highest bidder. He used Soviet air crews and their freight planes to sneak cargos of sniper and assault rifles, ammunition, tanks, night-vision scopes, anti-tank mine systems and missiles into war-torn African nations. Bout's client base included Colombia's Farc guerrilla army, the Taliban, al-Qaeda and Hezbollah.

"He's the best-connected, best-protected, best-brokered arms dealer in the world and made billions from misery, hunger and death," a DEA source tells *Nuts*.

Bout built up a fleet of almost 100 battered Soviet-era planes, paying their pilots \$10,000 (£6,500) a trip to deliver illegal cargos to jungle airstrips. He even used his air force to fly Jihadi terrorists from Yemen and Saudi Arabia, to Afghanistan and Iraq, to train. As long as there was money to be had, Bout would service any dictatorship or terrorist organisation.

Bout was extradited to the US in 2010

HOW TO DEAL IN ARMS

The Russian sidestepped UN sanctions by buying diplomatic passports for his employees and hiding his aircraft registrations in outlaw nations like Liberia and Equatorial Guinea. For \$50,000 (£32,000) each, he'd buy forged End User Certificates (EUCs), which allowed his planes to transport weaponry from Europe to a fake destination.

A typical case was revealed by US investigators to Congress. Bout presented his forged EUCs to a Gibraltar engineering company. They empowered their Bulgarian office to represent the peaceful government of Togo, and the Bulgarian office then bought 15 million rounds of ammo, 20,000 82mm bombs and 6,300 anti-tank rockets from a weapons factory. But the weapons never made it to Togo. Instead, they were spirited to rebels in Angola. There were thousands of false arms deliveries like this, but all that existed on paper was a legal arms deal.

At the height of his powers, Bout's operation

had bases in Moscow, Ostend, Kiev, South Africa and Sharjah in the United Arab Emirates, with routes taking planes into Liberia, Angola, Afghanistan, Colombia, Iraq, Iran, Yemen, Sierra Leone, Somalia, South Lebanon, Rwanda and Congo.

FRIENDS IN HIGH PLACES

The extent of Bout's power and reach is encapsulated in an incident from August 1995, when Taliban MiG fighter jets forced one of Bout's Sharjah-based Antonov aircrafts down in Kandahar, Afghanistan, seized its ammunition and imprisoned the crew. Bout went to Kandahar with Russian officials to negotiate the crew's release. The talks seemingly failed, then the crew suddenly came home. The legend is that the prisoners overpowered their captors, started up their plane, took off under heavy fire and flew home. Bout's version of the truth is different.

"Do you really think you can jump in a plane that's been sitting unmaintained for a year, start up the engines and just take off?" Bout asked an interviewer in Moscow. "They didn't escape. They were extracted."

BEHIND BARS

At the time of his incarceration in Thailand, the DEA source told *Nuts*, "The fear is that the Russians will buy him out of there and take him back to Moscow where he'll be a free man." He continued, "We must get him to trial in New York, lock him up and destroy his evil network."

Bout never did get his freedom. The fear at the time was that, if released, he may have begun a new phase of his career – nuclear weapons.

Thankfully, the DEA's worst fears didn't come to fruition and, for now at least, the world is that little bit safer with Bout behind bars.

Profile: Viktor Bout

• It's thought the nickname "Merchant Of Death" was first coined by former Foreign Office minister Peter Hain in 2003.

• The 2005 film *Lord Of War* starring Nicolas Cage is supposedly loosely based on the arms dealer's life.

• Bout is alleged to be an associate of the infamous President of Zimbabwe Robert Mugabe and former Liberian President Charles Taylor.

Billie Faiers

The Only Way Is Essex

Hi Billie! Welcome back to *Nuts*. What have you been up to? Hello! I've been busy with *TOWIE* stuff, obviously. There'll be lots of new things to look forward to with that, and maybe some new faces.

So what have you been enjoying on telly recently?

I really enjoyed *Celebrity Big Brother*. There were so many good-looking girls in it!

What show do you never miss?

Hollyoaks. It's my favourite soap and I'm really hooked on it. I loved the whole Silas serial-killer thing – he's been the best soap character in years. I'd love to have a cameo.

Would you ever do any other proper acting?

Yes, definitely! I'd like to be on something like *Downton Abbey* – a really big, elaborate costume drama. I can just picture the *TOWIE* lot doing *Pride And Prejudice*!

Who's your top telly person?

I like Holly Willoughby – she's really hot. And I like Phillip Schofield, too. He's a legend!

Would you ever do any other reality TV shows?

I'd really like to be on *Strictly Come Dancing*. Maybe that will be something to work towards later in the year.

Thanks, Billie! Finally, what's your telly turn-off?

Football! I think it's boring. ►

● The Only Way Is Essex is on ITV2 on Sundays and Wednesdays at 10pm

Take Me Out

Hi Lucy! We know you from *Take Me Out*, but what type of man are you looking for?

I like a cheeky chappy – a cheeky smile goes a long way. I like dark hair, and someone who's not too tall.

What's a real turn-off for you?

I don't like cockiness or being overly arrogant. That's a no-no. And I don't like guys who are addicted to going to the gym.

Have you been recognised since hitting the small screen?

Yes! I haven't been out that much in public, but there have been a few people on the motorway mouthing, "It's Lucy!" as they go past.

Do you reckon people will shout the catchphrases at you?

I'm waiting for that to happen. I'll take it all in good humour!

Do you get chatted up much?

Men don't approach me cos they think I'll blow them off. When we go out, my mates will have someone on their arm while I'm left by myself.

Do you watch yourself on TV?

Yeah, I had a few gatherings of people come around to watch it. It's a little bit cringeworthy sometimes, but it's all fun!

Finally, is it true that a man can laugh you into bed?

A good sense of humour goes a long way. You don't want someone who takes himself too seriously, do you? ►

Polly Parsons

The Real Hustle

Hi Polly! Welcome back to *Nuts*. What's new with you? Thank you! Well, I've just finished

filming another episode of *The Real Hustle* and, er, I'm single. Ha! Filming the show's been so much fun, though. We filmed up in Scotland again which is just so much fun. Me and Jessica-Jane Clement always have a right laugh.

Are you and JJC best mates?

We're really close. When we film, we're together 24/7, so we love to have a good gossip. We like to be a bit naughty, too, so there's plenty of messing around on set. The new guy's called Jazz, so JJC and I call him "Vajazzle"! Ha-ha! He laughs, so hopefully he doesn't hate it too much. Me and Jess tend to wind everyone up. Girl power!

Do you reckon you've become a bit more devious since appearing on *The Real Hustle*?

I've always had a naughty streak. I used to play pranks on my family, and I went to boarding school, too, so there were loads of pranks happening there. There used to be four girls in my room and when all the lights went out, I used to crawl along the floor and slowly start tickling people's feet to freak them out.

So you were a bit of a tearaway at school then?

Yup. One day, I said to my schoolfriends, "Let's skip school today and get tattoos!" So off we all went to the tattoo parlour, and they all ended

**“JJC looked
gorgeous on
I’m A Celebrity
in her bikini!”**

up getting one but me! I like reminding them of that a lot. I should have made them have "Polly" tattooed.

So, do you get recognised as "her off the telly" a lot since *The Real Hustle*?

Erm, now and again. But I play quite a lot of characters, so I'm often in disguise. It is funny when people recognise you, though. You think you have something stuck to your face but then you remember, "Oh, it's because of the television thing." But I love meeting fans of the show.

What gems can we expect in the new series?

Jess and I do a really good one in a bar. Actually, we really enjoyed that one because we got to have some cheeky shots while we were there. Also, me and Jess have some fun as a tag team, selling off iPhones, but all's not what it seems!

Awesome! Were you surprised to see Jessica-Jane in the jungle on *I'm A Celebrity*?

I kind of had an inkling she was going in, but I loved her. She looked absolutely gorgeous in her bikini. I was rooting for her all the way. *I'm A Celebrity*'s a real favourite of mine, so I'd be well up for doing that.

Who's your ultimate TV hero?

I guess she's more a film star than television, but I've got a girl crush on Megan Fox. She's really, really hot!

Thanks, Polly! Finally, what's the one thing every bloke should know about lady folk?

You know, they really need to remember that we're really sensitive and we think about absolutely everything. I don't think men do. They say something to us, and we'll pretend to laugh it off, but really we'll be thinking about it for weeks. So men, be careful what you say! ▶

SEXIEST TV BABES!

“I love *TOWIE*,
but *Geordie
Shore* is proper
reality!”

Rebecca Walker

Geordie Shore

H i Rebecca!
What's it like
to be *Geordie
Shore's* new girl?
Totally different.
I used to have
a desk job at a doctor's surgery.

How did you get involved?

I was approached on a night out. I watched the series before. I had a few opinions of the cast members, which have since changed, though!

Who was the biggest surprise?

I didn't expect to get on with Holly, but I really do.

Are all Geordies that bonkers?

Most of the young people there like to go out and get drunk. It's the reality! It's just because people are seeing it for the first time that they're shocked.

Do you listen to the bad things people say about the show?

Not really. It's a TV show. If you don't like it, don't watch it!

What's new in this series?

It's very exciting! There's a lot more drama, more tears, new relationships, relationships ending – it's so full-on!

What do you make of your Essex and Scouse counterparts?

I really enjoy TOWIE, but our show is proper reality. That's why people like *Geordie Shore*.

Finally, have you introduced any new catchphrases?

I constantly say "neckin' on" which is another way to say kissing someone! **X**

Celebrity Juice

ITV2/HD • 10pm

A new series of laughs from yellow-haired jokester Keith Lemon, as he sex-pests lovely ladies on his panel show, including regular hotties Holly Willoughby and Fearne Cotton. That comedian bloke Rufus Hound also makes an appearance in tonight's show - he can be a bit hit and miss but, hey, you can't have it all.

BEST LAID PLANS

3 February • 15
Stephen Graham (Al Capone in *Boardwalk Empire*) plays a down-at-heel Scouse chancer indebted to a local drug lord. It's do or

die, so he persuades his man-mountain best mate (Mr Eko from *Lost*) to take part in a series of bloody cage fights. The catch is, he has the mind of a seven-year-old. Fans of Shane Meadows will love this brutal but uplifting Brit-thriller. ★★★★★

The Olsen twins' sexy younger sister Elizabeth is great in this mysterious tale of a girl fleeing a twisted cult. ★★★★★

"Eh? You only brought it in because of a defective brake light?"

DRIVE

DVD & Blu-ray • 18
Warning: this film may cause you to experience your first man crush, as Ryan Gosling plays the ultra-cool wheel-man for hire. He's a stunt

driver by day and getaway driver by night, whose life is turned upside down when he falls for Carey Mulligan. Pairing an incredible '80s-style soundtrack with occasionally extraordinary levels of violence, this surprising film is simply brilliant. ★★★★★

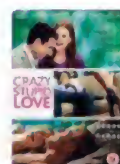

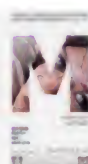

TINKER TAILOR SOLDIER SPY

There's a Soviet spy in MI6, and George Smiley (Gary Oldman) must root him out. A wordy, intense thriller. ★★★★★

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

CONFESSION OF THE WEEK!

'A spray tan with benefits!'

I RECENTLY arranged some home spray-tanning as I was looking a bit pasty. This sexy blonde arrived, her boobs straining against a tight pink blouse. As she bent over to sort out the equipment, a button popped open, showing more of her cleavage. I went bright red but she walked over to me and put my hands on her boobs. We were soon kissing and my fingers were teasing her erect nipples. I ended up with my trousers down in the mobile tanning booth, getting the best head I've ever had. I'll be arranging another session soon!

Brenda via email

'We sneaked to the loos!'

I'M AN air hostess and I work the long-haul flights. One of my jobs is to walk through the cabin doing a variety of checks and to see if passengers need

anything. On a recent night flight, most of the passengers seemed to be asleep and snuggled under their blankets. As I made my way to the back, I spied a handsome man sitting by himself. At first, I thought he was having a nice dream but then I realised that he was pleasuring himself! I couldn't

tear my eyes away, and was getting wetter by the second. He suddenly opened his eyes in ecstasy and found me staring right back at him. He stopped immediately, but I found myself nodding towards the toilets and he got out of his seat to follow me. Without a word, we sneaked in and I dropped to my knees to finish him off. It was my most exciting flight yet!

Shirley Dartford

'I took him bra shopping!'

MY MAN and I went out shopping for some new clothes recently. As he was getting bored, I took him into an underwear shop to cheer him up. His eyes lit up as he saw all the gorgeous underwear and when I picked up a sexy bra and suspenders set, he nodded quickly. I was in the first changing room and could see him sitting on the edge of a sofa nearby. I pulled the curtain open about two inches and when he looked my way, I flashed him a boob and a bit of leg. He shuffled in his seat and I could tell he was getting hard. He glanced around the shop and then made his way over to me. I snuck him inside, undid his jeans and gave him oral in the sexiest undies ever! He loved every second and now he can't wait until our next shopping trip!

Lara Snaresbrook

'He used his fingers!'

A CUTE guy at my best friend's wedding was seated next to me during the reception. He was very shy, but his chair kept edging closer to mine and I caught him glancing at my cleavage. I took hold of his hand under the table and we both grinned. While everyone was busy partying, I pulled him closer and felt his hand move up my thigh. His fingers moved my knickers aside and pushed deep inside me. We decided we'd better find somewhere a bit quieter and wandered into an unlocked office. I pushed him into a chair, pulled out his rock-hard erection and sat on it, rocking away for a few minutes before finishing him off with my mouth. It made a special occasion even more fun!

10 RUDE QUESTIONS!

And a real girl to answer them!

Fawna

20 Nuneaton

1 Where's the strangest place you've had sex?

"I did it on a golf course. The fact that the security guard could have caught us was such a thrill!"

2 What's your trademark move in the bedroom?

"I've been told I'm amazing at giving head, which could be something to do with my long tongue! I'm also flexible and love trying new positions."

3 What turns you on?

"I love guys with a bit of muscle and a good sense of humour. Dirty texts really do it for me, as the anticipation gets your imagination coming up with something really hot."

4 What's your favourite position?

"Doggy is very animalistic and makes me feel really dirty. Plus, when you're in that position, things can get a bit rough, which is even more fun."

5 Is it better to give or receive?

"Give, because then you can receive without feeling guilty. I love to make him squirm with pleasure!"

6 What one thing would you really like to try but haven't yet?

"I'd love to get dirty with three guys at the same time! Call me greedy, but it's nice to be the centre of attention every once in a while!"

7 Have you ever got it on with another girl?

"I've been to a swingers' club a few times, and one time I ended up making out and playing around with a hot girl. I've never been further, but I'd like to!"

8 What's your favourite role-playing costume?

"Schoolgirl. My hair looks really cute in pigtails and the idea of being seduced by a teacher is really sexy."

9 Have you ever made a sex tape?

"Yes, quite a few, although holding the camera can be challenging. I think it's really sexy to film yourself at it. It really puts a new perspective on sex, and it's nice to watch yourself later!"

10 What's the single rudest thing you've ever done?

"Well, I often go out to the pub with no knickers on. That's quite rude, isn't it?"

"I'd love to get dirty with three guys at the same time!"

Nuts SPORT

'MY THREE FAVES FOR THE TROPHY!'

1 Ireland

"Ireland have some quality players and a team packed full of experience. You just need to look at how well Munster, Leinster and Ulster are doing in Europe at the moment – those clubs' players will come into the national team bang in form."

Player to watch: *Johnny Sexton*

Jeremy Guscott's Six Nations preview!

Grand Slam winner and British Lion on this year's tournament!

THE SIX Nations kicks off with three mouth-watering match-ups this weekend, England travel to Murrayfield, France entertain Italy, while Ireland face Wales. To get us up to speed on this splendid egg-bothering competition, we spoke to England rugby legend and Grand Slam winner Jeremy Guscott!

- France vs Italy, Saturday, 2.30pm; Scotland vs England, Saturday, 5pm; Ireland vs Wales, Sunday, 3pm; all on BBC1/HD.

2 Wales

"Wales are without Gethin Jenkins and Rhys Priestland for the first match against Ireland, which is a huge blow. They played so well at the World Cup and were unlucky to be knocked out by France. Warren Gatland's team is particularly strong in the back row."

Player to watch: *George North*

3 France

"France, like Ireland and Wales, have three home games this year, which is a massive bonus. Les Bleus had an excellent World Cup, have a new coach who's keen to impress and boast match-winners all over the park, like world player of the year Thierry Dusautoir."

Player to watch: *Morgan Parra*

'...AND THREE FOR THE WOODEN SPOON!'

"The French boast match-winners all over the park!"

GREAT GUSCOTT!

Jeremy Guscott is the BBC's expert pundit. The Six Nations is live on BBC TV, Radio 5 Live and online.

1 Italy

"Italy are perennial favourites for the wooden spoon. Their forwards are formidable but teams know that if they put pressure on the Italian backs, they simply aren't good enough. A lot will rely on captain Sergio Parisse, the best number eight in the world."

Player to watch: *Tommaso Benvenuti*

2 Scotland

"Their coach Andy Robinson has said that the talking needs to stop and his side must perform but, to be honest, Scotland have gone backwards over the last two seasons. They need to start scoring more tries and not rely on their kickers getting all the points."

Player to watch: *Richie Gray*

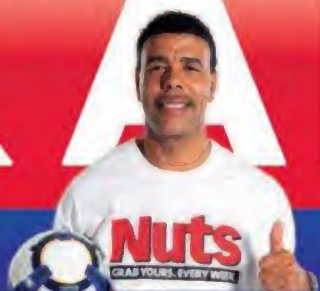

3 England

"The fans will need to be patient and accept that this is a new team with a new coach. It's such an usual period in English rugby, if we were all to pick our first-choice team, they would probably all be different! And there's no tougher start than going to Murrayfield."

Player to watch: *Owen Farrell*

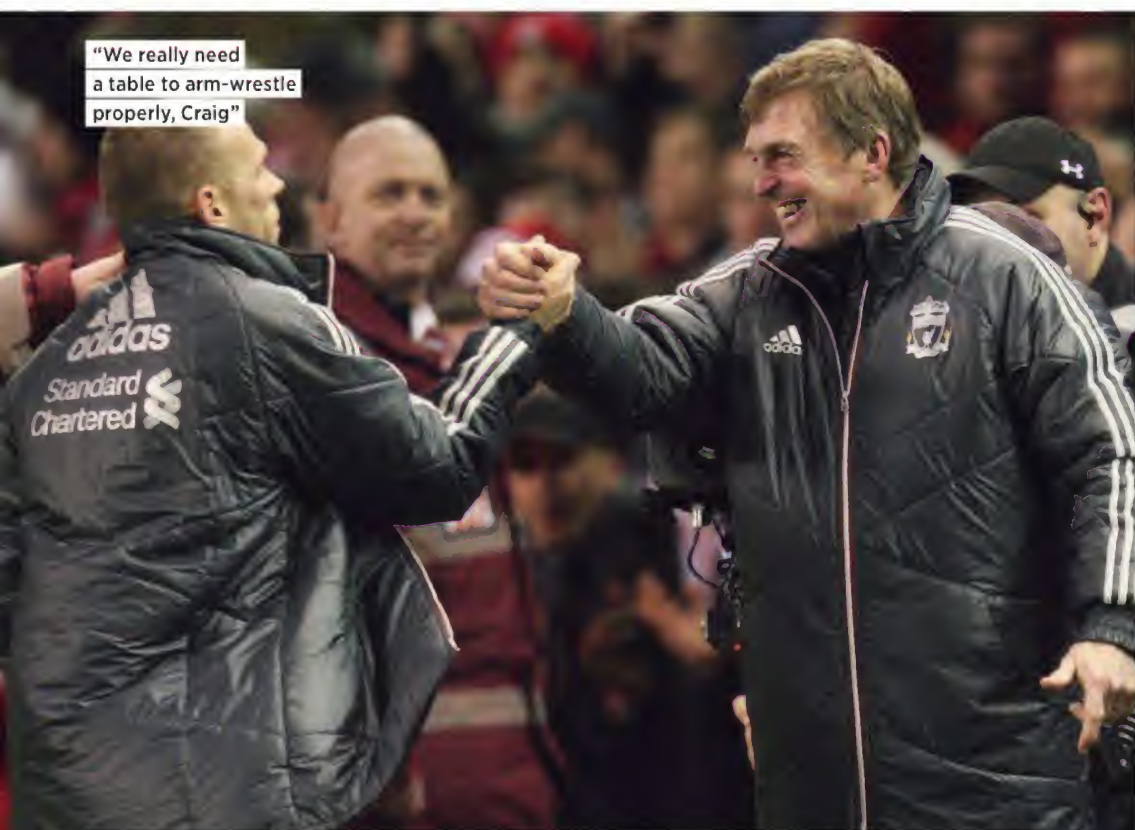

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"We really need a table to arm-wrestle properly, Craig"

Carling Cup cracker!

Wembley could be the start of Liverpool's big comeback!

➔ **SO IT'S** Liverpool vs Cardiff in the first cup final of the season. I have to say, although many people will fancy Liverpool, Cardiff won't be pushovers. Malky Mackay's men are riding high in the Championship and have a pretty decent pedigree in knockout competitions. They also

have some cracking players like Peter Whittingham and experienced campaigners like Kenny Miller. That said, if Kenny Dalglish can guide Liverpool to their first trophy for six years, it could be the start of something special at Anfield.

Lifting trophies, no matter which ones they are, breeds huge confidence and

that all-important winning mentality. It'll give everyone a boost at Anfield and fire the new players' hunger for further success.

In the short term, winning a trophy should also improve Liverpool's form in the league – players will be desperate to make an impression and cement their place in that cup final side!

"It was him! He sent the text!"

Dropped by text message!

I SEE Preston North End boss Graham Westley dropped four of his players by text message the other week, and at 2am on a match day! When I was at Portsmouth, my old manager Ian St John used to let us know if we'd been dropped by saying we were allowed to eat chips the night before a game. It looks like they're more used to microchips over at Preston. Sorry, that was awful!

UNBELIEVABLY GOOD!

TOP NEWS FOR TOON!

Newcastle will be delighted Senegal have been knocked out of the African Cup Of Nations – it means they get back top scorer Demba Ba and new boy Papiss Cisse.

UNBELIEVABLY BAD!

HORRIBLE HENRY!

Karl Henry's three-match ban has put Wolves in even more trouble. His stamp on Marc Albrighton was stupid. If I was Mick McCarthy, I'd be livid!

THE BIG MATCH!

"Oi, Ashley, can't you see I'm in the middle of a song here?"

Title is still a three-horse race!

EVERYONE'S SAYING the Premier League title race is now down to two sides, but I completely disagree. Tottenham may have suffered a setback, losing at Eastlands, but they're still playing the best football. The two Manchester teams can be caught. City are novices when it comes to title run-ins and could easily slip up, while United's team is nowhere near as good as some of Fergie's vintage sides. If Spurs keep playing in the same attacking fashion, I can see them closing the gap at the top. And if they do that, anything can happen!

Wait! I want to touch hands, too!"

Chelsea vs Man United

5 FEB, 4PM • Sky Sports 1/HD

It looks like Andre Villas-Boas is going to be given some time by Roman Abramovich, but Chelsea are still a work in progress. Fergie has been an absolute master at rebuilding teams time and time again and I fancy United to grab all three points at Stamford Bridge.

KAMMY'S PREDICTION: 1-2

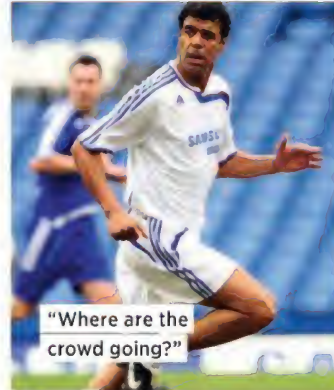

Key man

Antonio Valencia's a wonderful player who scores and creates goals. I expect him to keep a close watch on Chelsea's Juan Mata.

Kammy's comeback!

YOU MAY have seen me pulling on my boots for semi-professional team Welshpool! The club has financial problems, so Jeff Stelling and the boys decided to help them out by sending me along. I had to leave my Zimmer frame in the changing room, though!

"Where are the crowd going?"

Balotelli footwear stamp test!

Mario gets some stomping ideas!

➔ **MAN CITY** striker Mario Balotelli's in the news so much for off-the-pitch antics, it's easy to forget he's a footballer, so his ban for a stamp on Scott Parker at least made headlines for footy-related reasons. But if he wants to try out stamping in his month off, what footwear's best? We used watermelons to find out!

"I can't stand giant peas!"

WELLIES

These rubber behemoths rated highly on the splat-o-meter. Fashion tip? Shin pads on the outside, Mario!
SPLAT-O-METER: 4/5

FLIPPERS

These are awful for melon-bashing, but if Mario wants to improve his diving, they couldn't be better!
SPLAT-O-METER: 1/5

His homemade skateboard needed some improvements

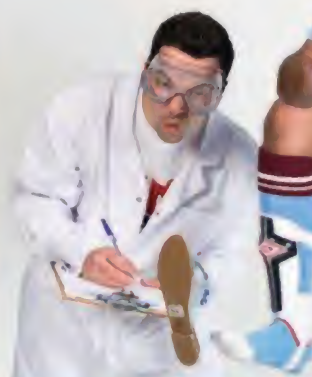

"Damn, no handbag -
I'll have to dance
round this then!"

STILETTOS

So this is why ladies
complain about their feet
hurting! Totally impractical
for a good stamp, too.

SPLAT-O-METER: 2/5

SANDALS

They didn't damage the
watermelon, and they kept
flying off. Not good if
you're through on goal!

SPLAT-O-METER: 1/5

"But I don't
want to get
my shorts wet"

SLIPPERS

Result! If Mario wants to go
around stamping on heads,
Nuts advises he uses this
furry footwear!

SPLAT-O-METER: 5/5

"Where did my
highchair go?"

FOOTBALL BOOTS

The studs got stuck in the
watermelon! Not good
for making a quick, post-
shoeing getaway.

SPLAT-O-METER: 2/5

"I'm calling the fruit
police. There's going
to be a murder!"

OUR WINNER!

Nuts ABOUT SPORT!

Funny goings-on in the wonderful world of sport!

Dislocating your elbow must smart a fair bit. It looks pretty disgusting, too. Wrexham striker **DANNY WRIGHT** is the unfortunate lad on the floor, screaming in excruciating pain.

We love Uncle **ROY HODGSON**. Not only does he have one of the worst potty mouths (as our lip-reader will testify), he also pulls some corking faces.

Those Australians are certainly crazy guys. For some reason, one of them decided to dress as a sandwich to watch the **TOUR DOWN UNDER** in Adelaide. Maybe it was to make hungry cyclists pedal faster.

"Quote me on that!"

This week's biggest match debaters!

"When you manage abroad, you manage in a different country"

Chris Coleman on what abroad means.

"I'd like to expand myself"

Alan Pardew is eyeing the Krispy Kremes.

"We batted like a bunch of morons"

Graeme Swann tells it like it is.

"I'm sure I can get the day off for the wedding and then honeymoon in Poland and the Ukraine. Two birds, one stone!"

John Ruddy's missus is one lucky lady.

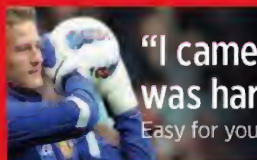

"It's a penalty and Danny Murphy has placed the ball on the penalty goal-line"

Nuts legend Kammy doesn't do spots.

"I came with a name that was hard to pronounce"

Easy for you to say, Anders Lindegaard.

OO-ER SOUNDS
A BIT RUDE
CORNER!

"MK Dons players don't mind it when there's somebody up them"

Wrighty's been in the showers.

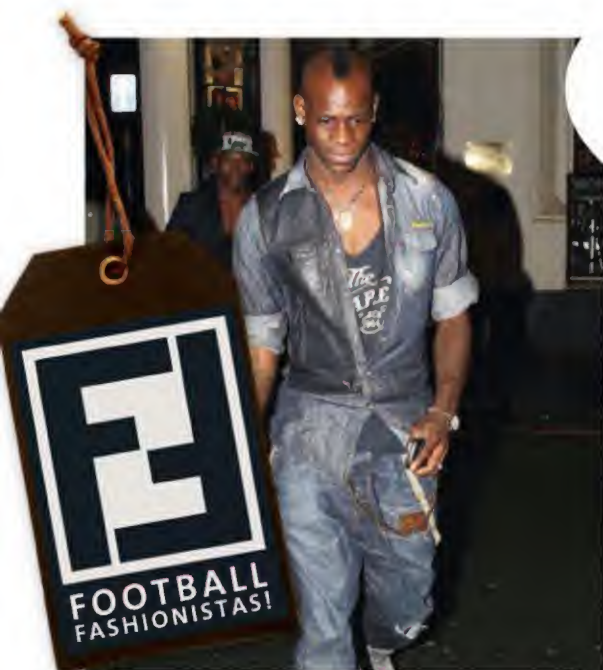

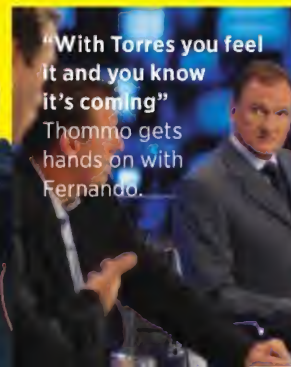

"I'll give Robbie Keane more than a hug if I can get to him quietly"

Mick McCarthy prepares to jump.

"With Torres you feel it and you know it's coming"

Thommo gets hands on with Fernando.

MARIO BALOTELLI makes yet another fashion blunder. It's almost as bad as his "shoeing" of Scott Parker's head!

WHAT A WAG!

KEVIN-PRINCE BOATENG's Italian model girlfriend MELISSA SATTA has taken the blame for his latest injury, saying it's down to too much sex. Poor guy!

THE NUTS LIPREADER!

When he watches a match, he sees every word!

**WATCH
YOUR
MOUTH!**

John Cassidy is a *real* lip-reading expert. And a fully paid-up FA coach to boot!

Mario Balotelli:
“Ref, I didn’t
know he was
on the floor!”

MAN CITY VS SPURS Etihad Stadium, Sun 15 Jan, 3.09pm
Balotelli pleads his case after stamping on Scott Parker.

Ryan Giggs:
“F**king hell! Is
that how to play
f**king soccer?”

ARSENAL VS MAN UTD Emirates Stadium, Sun 15 Jan, 4.42pm
The United veteran slams Alex Song’s latest challenge.

Mike Dean: “It’s nearly
half-time, so watch it!”

ARSENAL VS MAN UTD Emirates Stadium, Sun 15 Jan, 4.43pm
The ref warns Alex Song after his tackle on Wayne Rooney.

Tim Krul: “What has
he done? Oh my God!”

FULHAM VS NEWCASTLE Craven Cottage, Sat 21 Jan, 3.39pm
The Toon’s keeper questions Lee Mason’s penalty decision.

Potty mouth corner!

Nigel Reo-Coker:
“You f**king did,
you cheeky little
git! Time to get
f**king honest!”

BOLTON VS LIVERPOOL The Reebok Stadium, Sat 21 Jan, 6.09pm
The Bolton midfielder lays into Welsh striker Craig Bellamy.

Nuts' transfer deadline day drinking game!

Glasses at the ready, it's going to be a long night!

➔ IT'S THE most exciting night of the season, as your club frantically scrapes to sign whoever they can before the midnight deadline. So grab some booze and settle in for a night of transfer drinking mayhem! Please remember to drink responsibly!

1 Whenever Sky Sports' anchor **JIM WHITE** shouts in an over-excited fashion, take a sip of lager. Be warned: you'll be smashed by 7.30pm, so keep a chunder bucket handy.

BREAKING NEWS

2 Each time the **SKY SPORTS NEWS** ticker updates, do a sambuca shot. Then get angry when "Messi", seen at Man City's training ground, turns out to be an off-duty circus dwarf.

3 Every time **HARRY REDKNAPP** insists Spurs aren't going to sign anyone, down a whisky. When he makes 12 last-minute bids for high-profile players, finish the bottle.

4 Down a pint every time a player is seen exiting a limo to seal a mega-money move. Chuckle because he's not worth the £35million **LIVERPOOL** are about to spend on him.

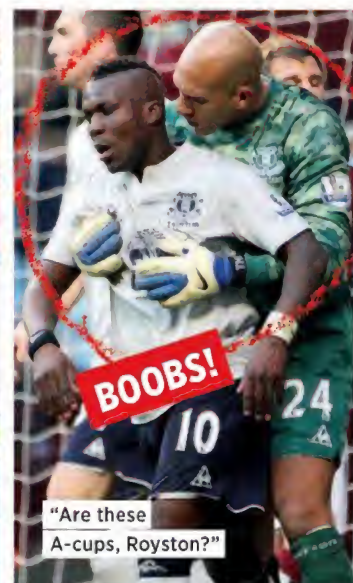

5 Drink a glass of wine every time the phrase "**BEATEN THE WINDOW**" is used in the final hour before the deadline. Even if it's only Oldham Athletic signing a non-league keeper.
